Afaq Al Rafiat Co

Company Profile 2025

Discover how Afaq Al Rafiat Co delivers excellence in general contracting and trading. With a commitment to quality, efficiency, and client satisfaction, we turn visions into reality through reliable construction and comprehensive supply solutions

Introduction

Afaq Al Rafiat Co is a premier general contracting and trading company based in Saudi Arabia. With a robust portfolio of successfully completed large-scale projects, Afaq Al Rafiat Co is recognized for its excellence in delivering high-quality construction and infrastructure solutions. Our expertise spans a wide range of construction services, including institutional and commercial buildings, roads and bridges, residential buildings, data centers and telecommunications, guard rails systems, wire rope systems, road studs, IT and networking services, WAN and LAN solutions, and electrical instrumentation.

Equipped with state-of-the-art workshops, the latest machinery, and an extensive fleet of heavy equipment, Afaq Al Rafiat Co is well-positioned to deliver exceptional quality and innovative solutions. We proudly serve some of the most prominent entities in Saudi Arabia, including Aramco, PepsiCo, and various government ministries. Our unwavering commitment to quality, safety, and sustainability drives us to exceed client expectations and contribute to the development and modernization of the Kingdom of Saudi Arabia.

Our Services and Solution

1. General Contracting:

Afaq Al Rafiat Co provides comprehensive general contracting services, ensuring that every project, regardless of size or complexity, is completed to the highest standards. Our experienced team oversees all aspects of construction, from initial planning and design to final execution and delivery, ensuring seamless project management and superior outcomes.

2. Fencing Specialization:

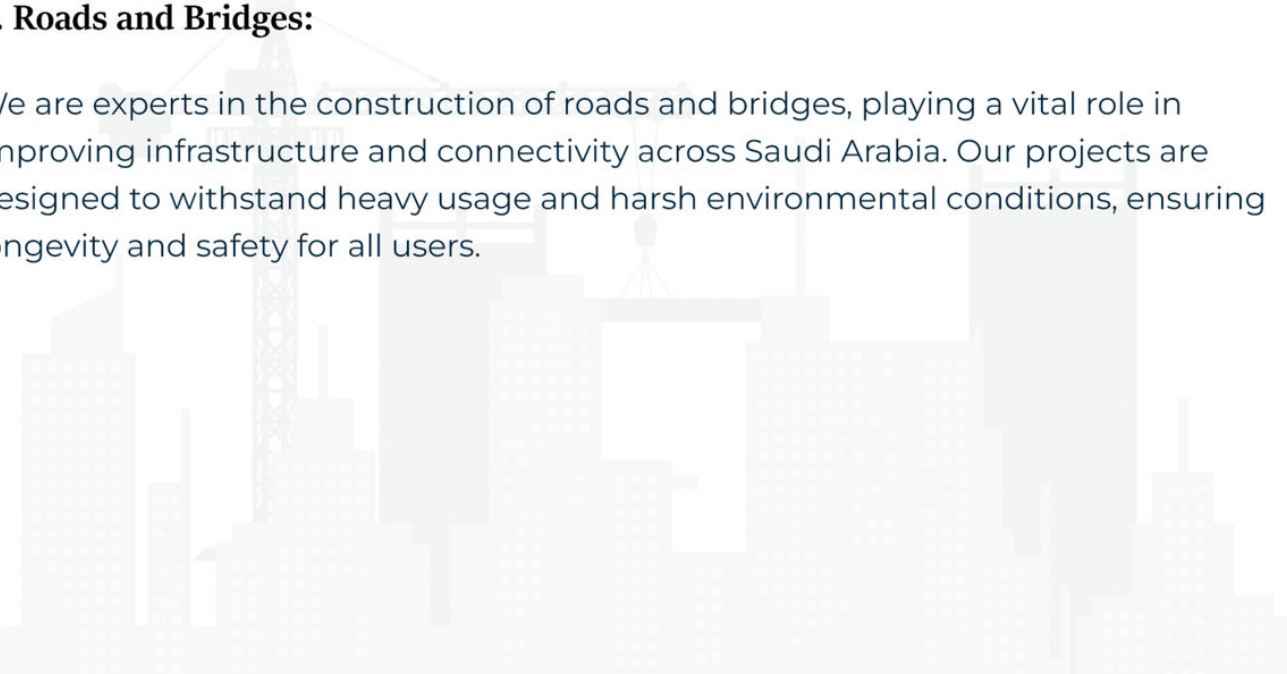

As a GRADE A fencing contractor, Afaq Al Rafiat Co is renowned for its expertise in large-scale fencing projects aimed at enhancing security and safety. Our fencing solutions are tailored to meet the specific needs of our clients, utilizing top-quality materials and advanced installation techniques to ensure durability and effectiveness.

3. Institutional and Commercial Buildings:

Afaq Al Rafiat Co excels in the construction of institutional and commercial buildings. Our projects range from educational institutions and healthcare facilities to corporate offices and retail spaces. We focus on delivering functional, aesthetically pleasing, and sustainable structures that meet the diverse needs of our clients.

4. Roads and Bridges:

We are experts in the construction of roads and bridges, playing a vital role in improving infrastructure and connectivity across Saudi Arabia. Our projects are designed to withstand heavy usage and harsh environmental conditions, ensuring longevity and safety for all users.

Our Services and Solution

5. Residential Buildings:

Afaq Al Rafiat Co develops residential buildings that offer comfort, style, and practicality. From single-family homes to large residential complexes, we create living spaces that cater to various lifestyles and preferences, incorporating modern design and sustainable practices.

6. Data Centers and Telecommunications:

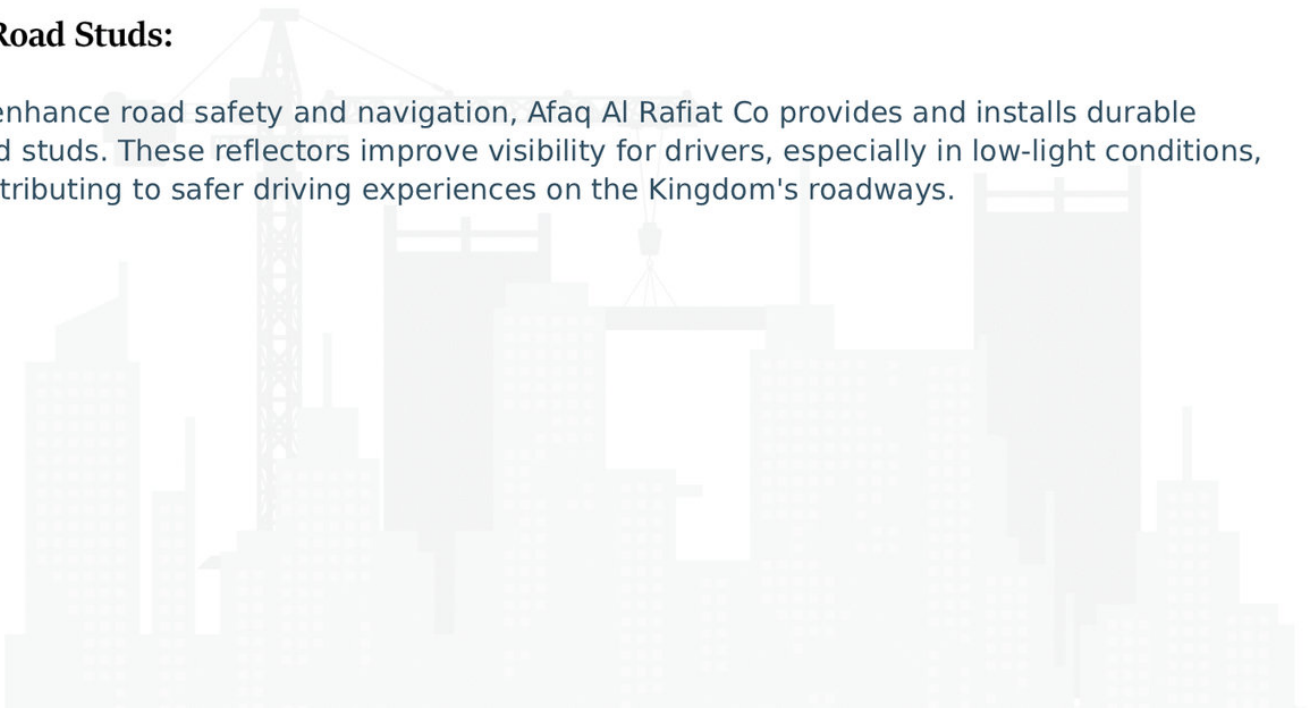

We specialize in constructing data centers and telecommunication facilities that are critical to the digital infrastructure of Saudi Arabia. Our expertise ensures that these facilities are equipped with the latest technology, providing reliable and secure environments for data management and communication.

7. Guard Rails Systems and Wire Rope Systems:

Safety is a paramount concern in our infrastructure projects. Afaq Al Rafiat Co installs high-quality guard rails and wire rope systems along highways and roads to protect motorists and reduce the risk of accidents. These systems are designed to meet rigorous safety standards and provide maximum effectiveness.

8. Road Studs:

To enhance road safety and navigation, Afaq Al Rafiat Co provides and installs durable road studs. These reflectors improve visibility for drivers, especially in low-light conditions, contributing to safer driving experiences on the Kingdom's roadways.

Our Services and Solution

9. IT and Networking Services:

Our IT and networking services encompass a wide range of solutions, including:

Wide Area Networking (WAN): Providing expansive network solutions that connect multiple geographic locations, ensuring reliable and secure communication.

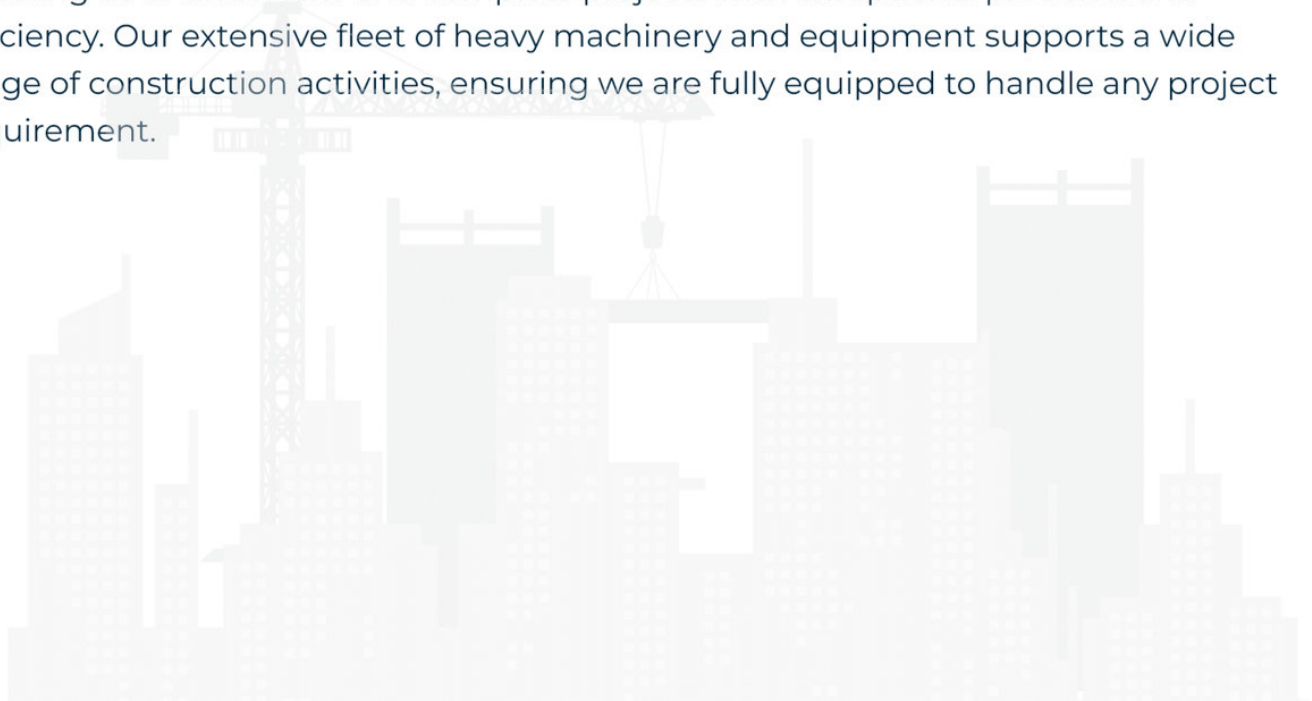

Local Area Networking (LAN): Designing and implementing efficient local networks that support seamless connectivity within buildings and

10. Electrical Instrumentation:

Afaq Al Rafiat Co offers specialized electrical instrumentation services, catering to various industrial and commercial needs. Our team of experts ensures the precise installation and maintenance of electrical instruments, supporting the functionality and efficiency of complex systems.

11. State-of-the-Art Workshops and Equipment:

Our advanced workshops are equipped with the latest machinery and technology, enabling us to undertake and complete projects with exceptional precision and efficiency. Our extensive fleet of heavy machinery and equipment supports a wide range of construction activities, ensuring we are fully equipped to handle any project requirement.

Industries We Serve

At Afaq Al Rafiat Co, we take pride in providing top-notch construction and infrastructure solutions to a diverse range of industries across Saudi Arabia. Our expertise and experience enable us to cater to the unique needs and requirements of each sector. Below are the industries we serve:

Government and Public Sector

Oil and Gas
